Hi Brenda – attached is the Scribe database for the Delta data. I changed the .zip prefix to .zit so it could go through your firewall. Just change it back and it should open fine. Let me know if you have any questions – thank you - Michelle

Michelle;
Attached is the SCRIBE for this project. The spreadsheet is a summary of the locations and shows which I have been able to estimate a location and which I have not.

which may be a computer program. This attached computer
program could
contain a computer virus which could cause harm to EPA's
computers,
network, and data.  The attachment has been deleted.

This was done to limit the distribution of computer viruses
introduced
into the EPA network.  EPA is deleting all computer program
attachments
sent from the Internet into the agency via Email.
```

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
